STATEMENT OF QUALIFICATIONS

Qualified by 4+ years as Support Specialist and 7 years of doctoral and post-doctoral academic experience in biophysics and solar energy research. Expertise in programming, data acquisition and data analysis, including machine learning and modeling. I am interested in leveraging my skills for a role in development, data science, and data analysis.

PROFESSIONAL EXPERIENCE

JOB	**Support Specialist**	May 2014 – August 2018
EMPLOYER	**InterSystems Corporation**	Cambridge, MA
TASKS	Provided technical support for InterSystems' Analytics platform	

- Solved customer issues and requests (about 450), coordinate with clients and developers on any proposed changes
- Development of applications using HTML, Javascript, ObjectScript, SQL, MDX
- Developed and improved analytical models, architecture, dashboards, and software performance for Business Intelligence
- Joined client meetings to troubleshoot issues and coordinate project development
- Consistently received 10/10's in customer experience scores

JOB	**Postdoctoral Scientist**	September 2011 – June 2013
EMPLOYER	**Delft University of Technology**	Delft, the Netherlands
OUTCOMES	Investigated molecular electronic processes in organic semiconductors by modeling spectroscopic data	

- Developed a nonlinear superposition model in MATLAB to extract charge yields from spectroscopic data
- Implemented software for laser systems in LabVIEW using event-driven programming

JOB	**Ph.D. in Biophysics of Photosynthesis**	April 2006 – June 2011
EMPLOYER	**Vrije Universiteit**	Amsterdam, the Netherlands
OUTCOMES	Researched the transport of light energy in plant and algal photosynthesis	

- Developed MATLAB software for data processing. Performed model-based analysis of spectroscopic data on high performance servers
- Co-developer of the C (LabWindows) software for a laser detector. Set up real-time instrument control and digital data processing at high-repetition rates
- Published 6 peer-reviewed publications (4 first author) in academic journals

PROJECT	**Master Thesis in Hearing Research**	August 2004 – June 2005
UNIVERSITY	**Karolinska Institute**	Stockholm, Sweden
OUTCOMES	Researched cochlear mechanics	

- Preprocessed movies of the cochlea with wavelet denoising and deconvolution
- Invented and developed a MATLAB algorithm that uses optical flow to couple a simulation of cochlear movement to microscopic movies
- Published a peer reviewed publication in an academic journal

Education

STUDY	**PhD in Biophysics of Photosynthesis**		April 2006 – April 2012
UNIVERSITY	**Vrije Universiteit**		Amsterdam, the Netherlands
	Full time research in biophysics of photosynthesis on the EU funded project Harvest		

STUDY	**BSc in Physics, MSc in Applied Physics**		September 1999 – November 2005
UNIVERSITY	**University of Padova**		Padova, Italy
	Karolinska Institute		Stockholm, Sweden
	Bachelor and Master in Physics at University of Padova.		
	Master thesis in Biophysics of the cochlea at Karolinska Institutet		

STUDY	**Bachelor of Music, Piano**		September 2001 – June 2004
INSTITUTION	**Conservatory of Music Benedetto Marcello**		Venice, Italy
	3 years piano, 1 year composition		

Certificates

- Oracle Certified Associate: Java SE 8 Programmer
- MIT Professional Education Program: Certificate for the "Data Science: Data to Insights" online course on Data Science and Machine Learning
- Online courses: Certificates (Coursera, Lynda) on programming, machine learning, and network science

Programming Languages

- Software development: Python, ObjectScript, Java, ShellScript (Bash), LabVIEW, C (LabWindows/CVI)
- Website development: HTML/CSS/Javascript (jQuery, D3, amCharts, Bootstrap), Django, Angular, TypeScript, NodeJS, REST
- Data analysis using MATLAB, Python, R
- Machine learning in Python (pandas, numpy, matplotlib, scikit-learn, gensim, nltk, etc)
- Databases: relational (Caché SQL, PostgreSQL, MySQL and SQLite) and NoSQL (MongoDB)
- Version control software: Git, Perforce

Programming Projects

- Machine Learning Notebooks: Jupyter notebooks about Machine Learning projects
- PyPanda: Optimized a method for modeling transcriptional networks in Python
- PyPuma: Wrote a Python application of a computational biology method for miRNA network inference
- Zero Waste Locator: MEAN (MongoDB, Express, Angular CLI, Node.js) app
- Djangoresume: My Django-based online resume
- Mezzanine-website: My Django/Mezzanine-based site
- DeepSeeButtons: Gather and analyze system information from stems platforms
- Install-Samples-BI: Automatically install sample Business Intelligence implementations on InterSystems platforms
- InterSystems: Miscellaneous projects involving InterSystems' technology
- Tantrix: Implementation in Python of a puzzle game
- iGrow: Webapp plotting a child's measurements over reference data from WHO

Skills

- Machine Learning: regression, classification/clustering, ensemble methods, dimensionality reduction, time series analysis, web scraping, natural language processing (topic analysis), anomaly detection, familiarity with recommendation systems, neural networks
- Professional experience with large-scale code bases (InterSystems Caché)
- Troubleshooting technical issues using the scientific method and problem solving theory
- Teamwork: launched and supported research projects resulting in 7 academic publications
- Business Intelligence Analytics: diagnosing issues on data, BI models, architecture. Recommending optimizations for performance problems, efficient parallel processing of data
- Management responsibilities and teaching: mentored a new hire and BSc and MSc students, who completed their projects on time and to a high standard. Two years teaching assistant in the MATLAB/LabVIEW course Applied Informatics for Medical Students given in Dutch
- Scientific/Technical writing: published 4 first-authored academic publications, as well as 12 technical articles for the Developer Community of InterSystems
- Communication: presented 16 oral talks at international conferences

Languages

Italian	Native proficiency	**Spanish**	Limited working proficiency
English	Full professional proficiency	**French**	Limited working proficiency
Dutch	Full professional proficiency	**Norwegian**	Limited working proficiency (Mellomnivå)
